

## [Patriotic Hearts Programs](#)

[HirePatriots.com](#): Offers Daily Handyman Jobs and Careers for active duty, veterans & their spouses.

[Veteran Advocacy](#): Teaches US Veterans and Veteran-owned businesses how to get on TV, radio, the Press, and speaking engagements to educate the public about the value of military service, and to encourage civilians to patronize V.O.B.s.

[US Military Maintenance](#): Mentors veterans on how to start a successful full service Maintenance business. Fifty-three veterans have started these businesses across the US in the last 3 years. They are employing hundreds of other US veterans at good wages.

[Military Marriage Retreats](#): Too many military marriages are on the rocks because of the stress, hardships, and long deployments. These retreats re-ignite their marriages and saves their families.

### [Soar to Success: Seminars & Hiring](#)

[Events](#): We invite company recruiters to attend these monthly events on college campuses, held in the central Quad at noon, and in a classroom afterwards. (The Veteran Student Union sponsors these and receives a donation.) – Our seminars introduce them to a neural-behavioral program for developing emotional, social and financial intelligence, in order to live more effective, productive and enjoyable lives.
